

User	Initial Concept Unclear?	What would you like to do while baking	How many people would you like to bake with at one time	What do you expect the application to do	Additional Feedback / Comments
1	No	Have adaptable screen to view baking prompts (phone or central screen may be difficult with baking's sensitivities)	If in own kitchen as many as can fit. If it's a teacher streaming could be as limitless	Everything you could need to know about baking should be accessible	N/A
2	No	Have all relevant information available	Classes are a good idea or a buddy system (No preference)	Communicate with other bakers, and share information to further skills	N/A
3	Uninterested in baking, so wouldn't use	No idea	As many as a person wants, vary from kitchen to kitchen	No idea	N/A
4	No	Learn initial steps, then have freedom to adapt recipes	Smaller would be better, but could vary	Access to all information relating to baking	N/A

5	No	Drink wine, casual conversation, have fun, learn something new	Her kitchen = 3, vary on kitchen size	Match with people of similar interests and experience, message others, search via location, website companion so don't have to use just application	Expressed concern for connecting with complete strangers
6	No	Focus on correct technique, have fun learning something new	A lot of people (+3) as it is more social and could lead to more fun and more information to share between the group	Find recipes, find people around similar age and location, message board, create groups for multiple people	N/A
7	No	Learn new recipes, improve skills, make friends, socialize	4-5 maximum	Message other bakers, share information (about themselves, recipes, hints/tips)	App could lead to long term friendship over a common interest
8	No	Learn to ice cupcakes nicely / fancily	4	Be in a group, share information, organize time and place, read other people's thoughts and share own	Calendar not needed, just a discussion
9	Are you connecting with random people or those you already know?	Learn simple recipes that I could improve on myself, and improve	Maximum 6, smaller (3/4) much easier to talk and share things than a big group	Learn new recipes, able to share new recipes, ability to use skills later, message other users	Rating system for buddies like uber

		general skills			
10	No	Drink alcohol, have a good time (socialize), learn to bake	Small group, but could vary depending on mood or people	Make new friends, find recipes, and organize events	N/A
11	No	Socialize, improve skills	Small group (4/5)	Message others, search for buddies by location	Rating system for buddies
12	No	Learn new recipes and skills, have fun	Small group (3/4)	Host an event, find and message buddies, access baking information	N/A
13	No	Learn recipes, have fun, enjoy food	By themselves or with 2 others	Find recipes, messaging groups of people, add new recipes and creations	N/A
14	No	Make food others will enjoy, listen to music, relax	Max 6	Find recipes, post creations, message others, view tutorials	N/A
